

Internship Certificate

31/08/2025

To whom it may concern,

I, the undersigned, **Mohamed TOUATI, CEO & Principal Data Scientist at Pixemantic**, hereby certify that **Roudayna Kouka**, a software engineering student at the **Faculty of Sciences of Tunis**, holder of National ID card No. [REDACTED], completed a **summer internship** within our company from **25/06/2025 to 25/08/2025**.

Internship Details:

Project Title: Design and Development of the Web Application **App4Doctors**

Mission:

During her internship, Ms. Kouka participated in the entire **full-stack development cycle** of an innovative solution for the medical sector. Her main tasks included:

- **Designing UI/UX interfaces** to ensure a smooth and user-friendly experience
- **Creating the project's visual identity**, including logo design
- **Developing both the frontend and backend** of the application
- **Integrating a Deep Learning-based OCR engine** for extracting and processing medical data from documents and images
- **Integrating an intelligent chatbot** to assist users in interacting with the platform

Ms. **Roudayna Kouka** demonstrated excellent initiative, creativity in **UI/UX design**, as well as strong proficiency in **web technologies**. Her full-stack development skills, team spirit, and scientific rigor contributed significantly to the success of the **App4Doctors project**.

We acknowledge the quality of her work and her continuous commitment, and we wish her full success in her future studies and professional career.
